

Local Street Networks & the Future of Claiborne Avenue

Join the Claiborne Corridor Improvement Coalition for a discussion on the future of Claiborne Avenue. Local experts in community development, planning, transportation and architecture will present research and reflections on the future of Claiborne. National street design expert **Eric Dumbaugh** will discuss the Corridor's current design as well as present research on the efficiency and safety of connected street networks.

Participants include:

Eric Dumbaugh, Ph.D., Florida Atlantic University

William Gilchrist, City of New Orleans Director of Place-based Planning

John Norquist, CNU President & CEO

Councilmember Kristin Gisleson Palmer, District C

John L. Renne, Ph.D., AICP, University of New Orleans

Jonathan Tate, Professor of Architecture, Tulane School of Architecture

Tuesday, December 6, 2011
